TECHNOLOGIES FOR SECTIONAL DOORS

## NEWSLETTER 01/2011

Our Team is pleased to inform that building works in progress for our new headquarters are being finalized. Our aim is to better meet customers and partners' present and future needs. Our new 7'000 m<sup>2</sup> offices and production plant are now about to be completed. Moving soon at CH 6534 San Vittore -  Kanton Graubünden, 30 Km north of our present location, along A2/A13. We will keep you informed. Thanks for your support.
