

HARDWARE PASEDO developed for TECSEDO Panels:**End caps – single - galvanized**

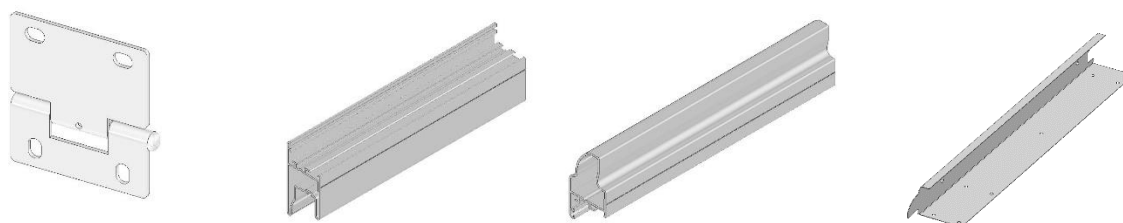

- **450760500L-TC** – end cap for Tecsedo panel, for 60mm wide hinge, for 500mm section, left
- **450760500R-TC** – end cap for Tecsedo panel, for 60mm wide hinge, for 500mm section, right
- **450760610L-TC** – end cap for Tecsedo panel, for 60mm wide hinge, for 610mm section, left
- **450760610R-TC** – end cap for Tecsedo panel, for 60mm wide hinge, for 610mm section, right
- **450770500L-TC** – end cap for Tecsedo panel, for 70mm wide hinge, for 500mm section, left
- **450770500R-TC** – end cap for Tecsedo panel, for 70mm wide hinge, for 500mm section, right
- **450770610L-TC** – end cap for Tecsedo panel, for 70mm wide hinge, for 610mm section, left
- **450770610R-TC** – end cap for Tecsedo panel, for 70mm wide hinge, for 610mm section, right

End caps – single – powdercoated - white

- **450760500L-9016-TC** – white end cap for Tecsedo panel, for 60mm wide hinge, for 500mm section, left
- **450760500R-9016-TC** – white end cap for Tecsedo panel, for 60mm wide hinge, for 500mm section, right
- **450760610L-9016-TC** – white end cap for Tecsedo panel, for 60mm wide hinge, for 610mm section, left
- **450760610R-9016-TC** – white end cap for Tecsedo panel, for 60mm wide hinge, for 610mm section, right
- **450770500L-9016-TC** – white end cap for Tecsedo panel, for 70mm wide hinge, for 500mm section, left
- **450770500R-9016-TC** – white end cap for Tecsedo panel, for 70mm wide hinge, for 500mm section, right
- **450770610L-9016-TC** – white end cap for Tecsedo panel, for 70mm wide hinge, for 610mm section, left
- **450770610R-9016-TC** – white end cap for Tecsedo panel, for 70mm wide hinge, for 610mm section, right

Hinges – middle

- **42206040M** – middle hinge for residential Tecsedo panel, 60mm wide
- **42206040M-9016** – white middle hinge for residential Tecsedo panel, 60mm wide
- **42207040M** - middle hinge for residential Tecsedo panel, 70mm wide
- **42207040M-9016** – white middle hinge for residential Tecsedo panel, 70mm wide

TECSEDO® PANELS - HARDWARE COMPONENTS BY

HARDWARE PASEDO developed for TECSEDO Panels:

Glazed section alu profiles

- **22D5080-MA** - glazed section bottom profile, L-5080mm
- **22D7200-MA** - glazed section bottom profile, L-7200mm
- **22G5080-MA** - glazed section top profile, L-5080mm
- **22G7200-MA** - glazed section top profile, L-7200mm
- **22A3B7200** - glazed section side profile, L-7200mm
- **22A3B420** - glazed section side profile, for 500mm section, milled
- **22A3B530** - glazed section side profile, for 610mm section, milled
- **22A3B7200S** - glazed section side profile, L-7200mm, wide
- **22A4S7200** - glazed section middle profile, L-7200mm
- **22A4S420** - glazed section middle profile, for 500mm section, milled
- **22A4S530** - glazed section middle profile, for 610mm section, milled
- **22A5Z6000** – glazed section, glass lath

Hinges – side

- **42206040** – side hinge for residential Tecsedo panel, 60mm wide
- **42206040-9016** – white side hinge for residential Tecsedo panel, 60mm wide
- **42206040DBL** - side hinge for residential Tecsedo panel, 60mm wide, for double roller
- **42206040DBL-9016** – white side hinge for residential Tecsedo panel, 60mm wide, for double roller
- **42206040Q** - side hinge for residential Tecsedo panel, 60mm wide, quiet
- **42207040** - side hinge for residential Tecsedo panel, 70mm wide
- **42207040-9016** – white side hinge for residential Tecsedo panel, 70mm wide

Windows

- **81510320BR** – residential window, brown frame
- **81510320WH** – residential window, white frame
- **81460270DO** – residential window, dark oak decorative foil frame
- **81460270GO**– residential window, golden oak decorative foil frame
- **81460270MH** – residential window, mahogany decorative foil frame
